

Interested in helping Mar Vista School “earn” some of your shopping dollars?

Our local grocery stores have programs that allow Mar Vista School families and friends to earn money for the school simply by shopping as you normally do for your family.

Here are a few ways that you can put your grocery dollars to work for the school:

1) **Ralphs Community Contribution Program**

Using your new **Ralphs rewards Card**, either visit “<http://www.ralphs.com/ccprogram.htm>” to register your card **OR** contact scrip coordinators listed **below**. Each time you shop, swipe your Ralphs *rewards* Card and a portion of your grocery dollars will automatically go to the school (Mar Vista School group ID# 83287).

2) **Albertsons/Sav-On Community Partners Program**

Using your **Preferred Savings Card**, you can link your card to the Community Partners Program using the website. Visit the main store website at “<http://www.albertsons.com/cp/>”. Log in as a “shopper;” you will need your Preferred Savings Card number and your phone number to register. Find “Mar Vista Elementary School” as your partner and click to add. Use ID #49000115005 to find our school.

Every time you shop at either Albertsons or Sav-On Drugs, swipe your Preferred Savings Card and a percentage of your purchases will go to the school.

3) **Vons/Pavilions & eScrip**

Visit the eScrip website at “<http://www.escrip.com>” to sign up today. You can register your **Vons** and **Pavilions** grocery club cards and your debit/credit cards such as Macy’s, MasterCard, VISA, American Express, Discover, and debit cards. Search for our group (“Mar Vista School Enrichment Group”) using the name and group ID number (#136559014).

Participating merchants contribute every time you shop (in-store or online through the eScrip website), when you use your registered grocery loyalty or debit/credit cards. Every purchase counts!
